

Product Discontinuation Notification  
05 April 2016

Our Valued Customers,

This letter serves as formal notification that Tel-Instrument Electronics Corp. is discontinuing the production of the following two (2) products:

T-36C NAV/COMM Ramp Test Set (P/N 90000026)

T-36M NAV/COMM Ramp Test Set (P/N 90000058)

Tel-Instrument Electronics Corp. acknowledges the obligation to promptly inform our customers of the intent to exit products and provide an alternative product exceeding the former Test Sets capability.

It is our objective to support the T-36C and T-36M for 5 additional years dependent on availability of parts and supplies, at which time the support will end.

The Test Sets will no longer be available for purchase after July 1, 2016.

The replacement Test Set for the T-36C and T-36M is Tel-Instrument Electronics Corp. **TR-36 NAV/COMM** Test Set (P/N 90000136).

Tel-Instrument Electronics Corp. appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply your future product requirements with our world-class quality product lines.

To best serve you, all inquiries and requests should be directed through our sales department or one of our worldwide distributors.

Sincerely,

James Miller

Product Support Manager  
Tel-Instrument Electronics Corp
