

Devoted to maintaining the value of your investment!

By having Tel-Instrument or any of our CERTIFIED Repair Centers maintain and perform routine maintenance, you are ensuring that your investment will continue to provide years of service. Who best to service and maintain your equipment than a Certified Center. You can have confidence that your Test Set will perform as required and meet your expectations and needs year after year. Our Test Sets come standard with a 2-Year Limited Warranty covering the Test Set and accessories. You can download a copy of the Warranty Policy here:

[TEL-INSTRUMENT STANDARD WARRANTY](#)

To Schedule your Annual Calibration or Repair - Please contact the appropriate Repair Center for your Model and Region:
