Standard

Product Warranty

Factory Warranty Information

Every new Tel-Instrument test set is backed by our Standard Limited Product Warranty, providing factory-supported protection against defects in materials and workmanship. Warranty coverage varies by product family and is subject to the terms and conditions described in the official warranty document.

SDR-OMNI and SDR-OMNI/MIL products include a standard two (2) year factory warranty.

Most other Tel-Instrument products include a standard one (1) year factory warranty.

For customers requiring extended protection beyond the standard warranty period, Tel-Instrument also offers optional **Extended Warranty** and **Product Support Plans** that include warranty coverage, calibration services, and qualifying repairs.

Tel-Instrument Standard Limited New Product Warranty

Revision Date: January 27, 2026

Download the complete warranty document describing standard warranty coverage, warranty limitations, software warranty, exclusions, and Return Material Authorization (RMA) requirements.
