

Sales & Customer Service

Thank you for visiting our Web Site. Tel-Instrument Electronics Corp utilizes a large network of Approved Dealers around the world for Sales and Support. Each one can provide you details on pricing, delivery and support for your region and are supported by our Corporate Offices in the US.

For inquiries about pricing and delivery please contact the appropriate distributor for your region from the side menu or drop down list.

If you have specific technical questions, please contact our Support team at [Technical Support form](#) instead.

The information you provide here is protected by our [privacy policy](#).
