Marketing Department

Global Sales and Marketing Support

Tel-Instrument Electronics Corp. supports commercial and military customers worldwide through our factory sales team and network of authorized distributors and representatives.

Contact our Marketing Department for distributor inquiries, product literature, approved sales images, branding guidance, copyright questions, and other marketing-related requests.

For product quotations, technical support, repairs, calibration, or warranty service, please use the appropriate Sales or Product Support contact form. **Interested in Representing Tel-Instrument?**

Tel-Instrument welcomes inquiries from qualified companies interested in representing or distributing our avionics test equipment and support services.

Please provide a brief description of your company, the markets and territories you serve, a link to your website, your relevant product experience, and any additional information that will help us evaluate the potential relationship.

Each inquiry will be reviewed to determine whether there is a mutual fit with Tel-Instrument's products, customers, and international sales strategy.

Marketing Materials and Brand Requests

Our Marketing Department can also assist authorized customers, distributors, and partners with:

- Product literature and data sheets
- Approved product photographs and sales images
- Logo and branding usage
- Copyright and publication permissions
- Trade show and promotional support
- General marketing coordination
